

Christmas Messages

“The Light of Love has come to earth. It’s time for us to pause to see this Light and feel its warmth and celebrate its cause.”

We wish Fr Martin, Deacon John and all our fellow parishioners a very holy, happy and safe Christmas. We pray that 2021 will bring our world back to normality so that our days may once more be merry and bright. We particularly look forward to joining together as a congregation in worship and friendship and to singing God’s praises again.

*With fond thoughts to all.
